# Saahera Deen-Nandkisure

## Junior Coder

Briarwood, NY, 11435  
saaherad17@gmail.com

## SKILLS

Knowledgeable in HTML, CSS, Java, JavaScript, Python, and C# programming languages. As well as Unity Editor, Microsoft, Google, and Apple applications. Works well with others, skillful in communication, works efficiently, and passionate about helping others.

## EXPERIENCE

### **JP Morgan Chase, Newport, Jersey City, NJ** - *Junior Coder Apprenticeship*

OCTOBER 2023 - PRESENT

- Code different websites and programs to help my team with their everyday tasks, using JavaScript, HTML, CSS, and Java.
- Volunteer work as a speaker on panels to discuss and answer questions about my time at JPMC.

### **Safe Zone Cross Culture Youth, Jamaica, NY** - *Volunteer*

AUGUST 2020 - PRESENT

- Work with fellow volunteers to provide resources to the community.
- Give out free meals to those in need.

### **Muslims Giving Back, Manhattan/Brooklyn, NY** - *Volunteer*

OCTOBER 2020 - PRESENT

- Work in a collaborative environment to set up food for distribution.
- Help serve meals to large groups of people in need.

## EDUCATION

### **Thomas A. Edison CTE High School, Jamaica, NY** - *June 2025*

SEPTEMBER 2021 - PRESENT

Current senior in the web development program where I learn various coding languages and participate in different challenges. Take pictures for school events, sports, and portraits for yearbook and media club.

## AWARDS

### **1st Place Winner for 2024 Infy App Design Competition** - World Trade Center

- Designed an app with team members called "LitterLid" which focuses on the social issue of pollution.
